

2021 Year 11 HASS Subject Selection

Humanities and Social Sciences

- You might be surprised to learn that Humanities and Social Sciences provides you with most of the skills you will require for furthering your education.
- It also makes you one extremely intelligent, engaging and fascinating person to talk too!

So what courses do we offer?

ATAR

- Geography
- History
- Politics and Law
- Career and Enterprise
- Economics

Business Certificate 2

General

- Geography
- Modern History
- Ancient History
- Career and Enterprise

Geography

- What a great subject- mapping, field trips, learning about our society and maybe saving your life!
- “How?” I hear you ask.
- Well it is documented that a girl who was studying Geography noticed the warning signs for a Tsunami and got her family out of the area- saving them and countless others!
- Therefore she become a hero thanks to her Geography lessons.

History

- Wow learning about people who have done horrific things, people who have done marvellous things, societies which have changed for the better and the worst!
- You have the opportunity to explore history and what we know about it- although we say “history never changes” it can always be interpreted differently.
- Modern history explore the 19th to the 21st century while Ancient history is the time Before Christ or Before the Common era (BC or BCE).

Economics

- WOW The “Wolf of Wall street” has made this a popular topic.
- Learn how to invest and play the market, how to make and keep your money and maybe how to be a millionaire!

Career and Enterprise

- What do you want to be?
- Unsure? Or do you know where it is your heading?
- Do you have the correct attributes?
- Want to boost your employability skills?
- Do Careers and make sure you have the necessary skills to be the best you can be!!

Business

- We offer a Certificate 2 in Business!
 - This qualification is currently under review by PwC and if there are any changes these will be communicated to students and parents once the review has been finalised.
- Learn how to operate a variety of software packages.
- You will get real life skills in electronic communication, designing, producing and printing specialised documents and learn how to conduct yourself in the business world.
- For further information on this course please see the Certificate II Business video.

Politics and Law

- I know a number of you are “Bush Lawyers”- you like to tell us all about your rights- why not really learn about them?
- Do you have ambition to become a leader? Learn about the right and wrong ways to lead and why people elect Prime Ministers (or do they?).
- Come study Politics and Law, learn to argue a point properly and know your (real) rights!
