

Dear Parents/Guardians/Caregivers

Welcome to all our new families for 2022. At Canning Vale College our goal is to create a successful future for your child. With your assistance both financially, and with the education process, I am sure that, together, we can achieve that goal. Our partnership with you is crucial in this success.

Thank you to all our continuing CVC families. Our College would not be the success it is without your ongoing support and we look forward to continuing to work with you throughout 2022.

The College has stabilized to accommodate approximately 1450 students since we welcomed Year 7 students in 2015. This large student population continues to put pressure on our College and student resources and we will need the financial support of all our families to guarantee our continued success. Over the last 2 years we have seen significant facility improvements funded by the College and WA State Government. Without College funding these improvements may not have happened.

At no time in the past have student contributions and charges been so vital in continuing to maintain student equipment and resources. We have done our best in requesting the lowest possible contributions and charges to enable us to keep the standards you rightfully would expect. The contributions and charges are calculated on the basis of all parents paying their fair share and not pushing the burden onto a few.

You have been sent the Charges and Contributions that relate to your child for the 2022 school year. We are sending you this information now to allow you time to budget, as we appreciate and understand that there are many demands on the family finances, however, this is an investment in creating a future for your child.

Please be aware that we are required to list all possible excursions and additional cost items that may occur during a school year. I can assure you that your child will only be involved in a very small fraction of these possible costs.

There are a number of payment options available. I encourage you to contact the College (9334 9000) and discuss your individual needs if necessary as soon as possible.

This is an exciting and challenging time for the College and, as an established and successful Independent Public School and Finalist Secondary School of the Year in 2021, we look forward to a successful and rewarding year in 2022.

On behalf of all the College Staff, I wish you a safe and enjoyable holiday season and a Happy New Year!

Jacquie Bogunovich

LEARNING AREA CONTRIBUTIONS AND CHARGES

Contributions

Under government guidelines, the College requests contributions from parents to assist in the education of their children. These contributions are used to provide resources for the compulsory learning areas: Mathematics, English, Science, Humanities and Social Sciences, Technologies, the Arts, Health & Physical Education and Languages. Contributions also allow the College to provide such items as library books, information resources, computers, some Student Support programs and the use of the school bus for excursions.

Compulsory Charges

Charges relate to the options that students choose to take for the year. These compulsory charges cover the items that students use over and above what is supplied by the Department of Education.

Reminder: All subject charges for students in Year 11 & 12 are compulsory.

VOLUNTARY APPROVED REQUESTS

Information Technology

Your contribution will help us maintain the College computer resources and regularly update software. Without your help we can't maintain our proud tradition of being at the leading edge of information technology.

School Bus Replacement

Your contribution will go towards the purchase of a new College bus which is used for various excursions throughout the year, in turn reducing the cost of excursions.

Library Contribution

The College purchases a large and extensive range of resources including books and audio visual equipment and access to online programs and eBooks.

Student Engagement & Support

Your contribution will allow the Student Engagement and Support team to offer free talks focused on preventing bullying, encouraging self-esteem and cyber safety awareness, some reward activities and various health and wellbeing programs.

Buildings, Grounds & Equipment

The Canning Vale College Board seeks your support to continue a program pioneered by the Canning Vale College P&C. Funds are raised to purchase specialised equipment, sponsor innovative programs and provide additional facilities aimed at improving the learning opportunities for the students at the College. The Board is appealing to parents for a contribution of \$20.00 per student and this appears on the school contributions sheet.

College Chaplain

Our College Chaplain is not an employee of the Department of Education and is solely funded by the community and your contributions. The role of the Chaplain at the college is to support the personal and social wellbeing of our students and the College community. The Chaplain is an important part of the Student Engagement and Support team.

OTHER INFORMATION

SmartRider Card /CVC Identification Card (ID Card)

Every student receives a SmartRider card when they start at Canning Vale College. This can be used for travel on Transperth buses and trains. The card is also a photo ID card to be used at the College. Students require this card for their personal photocopying and printing at the College. Students can purchase photocopying credit from the College Administration. (Note: Any remaining balance when the student leaves the school cannot be refunded.) The card is also required when borrowing books from the college library and to access the services of our IT technician. The IT technician cannot assist students with IT problems unless they produce their card for identification. Lost or damaged cards can be replaced at a cost of \$5.00 by applying at the College Administration.
