

MPA School Based Pre Apprenticeships 2025

MPA Skills is excited to announce that applications for our 2025 School Based Pre Apprenticeship courses are now open!

These programs are designed to provide students in Years 11 and 12 with hands-on experience and training in the Plumbing & Painting industries, as well as the broader construction industry.

School Based Pre Apprenticeship programs are fully funded by the Department of Training and Workforce Development.

Upon successful completion of the program, students will receive a **52887WA Certificate II in Plumbing** or **52893WA Certificate II in Building & Construction (Pathway – Trades)** and the program will contribute towards students WACE Certificate.

Construction Training Fund (CTF) is currently offering a \$250 reward for the successful completion of a construction pre-apprenticeship: <https://ctf.wa.gov.au/funding/pre-apprenticeship-payment>
